

AIRPORT ADVISORY BOARD

City of Findlay

November 16, 2006

MINUTES

Members Present: Darren Bryan, Gary Junker, Steve Wilson, Mayor Anthony P. Iriti, Bob Johnston.

Staff Present: Ed Bickford and Kathy Launder.

Guests: Representatives from R.W. Armstrong, Councilman Mike Slough.

Minutes: Minutes of the May 8, 2006, meeting were distributed. Motion to approve minutes as presented by Wilson, second by Mayor Iriti. Motion passed.

Supervisor's Report: The Airport Master Plan will need to be updated for 2010. Looking for ideas for projects from users of the airport. Mayor Iriti suggested that we look at ways to improve/expand the airport especially if ODOT changes the route of State Route 15 around I-75. This could open the area as an industrial site with cargo-based businesses.

Airport Projects Update: Duane Johnson of R.W. Armstrong on the following projects:

Taxiway B Extension and Rehabilitation: Construction is concluding for the winter; final cleanup, pavement marking, and seeding will be completed in spring 2007.

New Snow Plow: Will receive delivery of new snow plow next winter.

WAAS Approach: Scheduled publication date is July 5, 2007.

Apron Expansion and Runway 7-25 Safety Area Improvements (2007): Will expand the apron and regrade the safety area on the southeast end of Runway 7-25. Will bid and begin construction in 2007.

Relocate Taxiway A (2008-2010): Relocate Taxiway A to a 400' separation from Runway 18-36 to be phased from 2008-2010.

Taxiway C - Runway 25 (2011): New taxiway from the end of Runway 25 to the apron.

With no further business to discuss, the meeting adjourned.

Respectfully submitted,

Kathy K. Launder
City Clerk
