RE: **H1N1 Vaccine**

FOR IMMEDIATE RELEASE

Walk-in H1N1 vaccination clinics will be held **Wednesday, February 3, 2010, from 5:00 - 7:00 p.m., and Friday, February 5, 2010 from 9:00 - 11:00 a.m. at the Findlay City and Hancock County Health Departments.** Anyone over the age of 6 months is eligible to receive the vaccine, and all children up to age 17 shall have a parent/guardian present and provide consent. Parents/Guardians are reminded to bring their children, who are 9 years old and under, back for the 2nd dose of vaccine after a minimum of 28 days from the first dose.

The public is asked to park in the lot behind the Risner Spinal Center; signage will be posted at the entrance to the lot.

Based upon availability, individuals who are between the ages of 2-49 who are not immuno-compromised and are otherwise healthy will receive the Flumist nasal vaccine. All other individuals, including pregnant women, will receive the intramuscular injection. If you have questions about the status of your health, please check with your healthcare provider.

The Findlay City/Hancock County Health Departments are encouraging the public to go to the ODH website (<https://h1n1vaccine.odh.ohio.gov/LHD/LHDHome.aspx>), create an account, and complete the registration, but do not print. Community members are also asked to go to either the local city or county websites to print off the [Vaccine Administration Form](#), complete the form, and bring the completed form to the clinic site. The Findlay City address is: <http://www.findlayohio.com> and the Hancock County address is <http://co.hancock.oh.us/bdhealth/>. The forms can also be picked up at the **Findlay-Hancock Library, Job and Family Services Office, the Hancock County Agency on Aging, and The Family Center.**

Individuals attending the clinic should dress in layers, with short sleeves available for ease of vaccination.

There is no cost for the vaccine.
